Fourth of July Celebration at the Lakefront

Are you planning to celebrate the Fourth at the Lakefront this year? Do you have questions about where to park, what entertainment and food options there will be, or what time you can put out your blanket?

The Columbia Association and Howard County Government have created a handy resource guide to the Lakefront celebration and fireworks! Find it on CA's website: [July 4th Lakefront Guide](#).

BAY-WISE

A MASTER GARDENER PROGRAM

Bay-Wise Consultations

Did you know? Howard County homeowners may request on-site evaluations of their properties by a team of Howard County Master Gardeners. As a result of this evaluation, participating homeowners receive initial advice and a follow-up report on landscaping priorities, which might include pollinator plants, native plants, deer-resistant landscaping, storm-water management, vegetable gardening, and/or environmentally responsible pest management.

All consultations are conducted by volunteer Master Gardeners from the University of Maryland Extension and there is no charge for this service. Homeowner consultations run through October as volunteer availability permits.

Please complete the following questionnaire to request a consultation: [Bay-Wise Property Consultation](#). Your information is treated confidentially by the Master Gardeners.

For more about the Bay-Wise Program, visit the University of Maryland Extension's [program website](#).
