This concert event sponsored by Kimco Realty Corporation will be held on
August 1, 2024

Club Wilde Lake

The Wilde Lake Community Association (WLCA) of Columbia, MD is seeking proposals from qualified vendors to host an after school program for middle and high school students for the 2024-2025 school year. The program should aim to engage students in meaningful extracurricular activities that enhance their learning experience and personal development.

Duration:

The program shall run for 30 weeks during the 2024-2025 school year, commencing 1 October 2024 and concluding 10 June 2025. Sessions shall be scheduled for five days per week, Monday through Friday, from 3 p.m. to 5 p.m.

Scope of Work:

The vendor shall provide a comprehensive after school program that includes, but is not limited to:

- Structured activities designed to promote academic enrichment, personal growth, and social development.
- Opportunities for skill-building in areas such as arts, sciences, technology, physical fitness, and life skills.
- Access to resources conducive to a safe and supportive learning environment.

- Qualified staff to supervise and mentor students during program hours (at least 2 per session). Background checks are required.

Submission Deadline:

Proposals must be submitted no later than 7 August 2024, 5 p.m. Eastern Time. Late submissions will not be considered.

Evaluation Criteria:

Proposals will be evaluated based on the following criteria.

- Alignment with program objectives and scope of work.
- Qualifications and experience of the vendor and key personnel.
- Cost-effectiveness and budget feasibility.
- Methodology for collecting and reporting on metrics.
- Ability to provide a safe and supportive environment for students.

Contact Information:

For inquiries and to receive the complete RFP, please contact Brandon Cogdell, Education Committee Chair, WLCA, at brandon.cogdell-wlvb@wildelake.org.

Science Technology Engineering Art and Math @ Wilde Lake

The Wilde Lake Community Association is pleased to announce a new partnership with the Howard County Library System. Join us beginning next week for exciting HiTech, programming provided via the library's mobile STEAM machine, right here in the Wilde Lake Village Center (near CVS). Programs will be offered for Middle and High School aged students this summer. See below for the calendar and offerings. Registration is suggested but not required. To register and for additional information contact: hi.tech@hclibrary.org or call (410) 313-7550.

HiTech @ Club Wilde Lake

HCLS' STEAM Machine is a mobile classroom bringing hands on project-based STEAM classes to students unable to participate in STEAM classes at the HCLS branches. This summer, the STEAM Machine offers two HiTech STEM classes per visit. Designed to provide a "summer STEM camp experience," each class takes about 60 mins.

FOR MIDDLE SCHOOL STUDENTS

Find us at the Wilde Lake Community Center. Registration requested but walk ups accepted. Space is limited. To register, send an email to hi.tech@hclibrary.org or call 410.313.7750.

Monday, July 8

1:30 pm Engineering Your Way

Let the Games begin! Take on engineering challenges while reinforcing core engineering principles with Rube Goldberg creations. Creativity, fun, and laughter are all required!

2:45 pm Science: Marine Biology

Look at the ocean, rivers, Chesapeake Bay, intertidal zones, and coastal features to see what makes each of them unique. Include an opportunity interact with marine wild life.

Monday, July 22

1:30 pm Engineering Amusement Park Structures: Water Mistors

Focus on quality engineering and the scientific properties of water as you build a water mister. Assemble key parts and test a water mister for the upcoming HCLS HiTech STEAM Carnival.

2:45 pm Science: Global Change

Focus on the science and modeling of long-term shifts of our world's temperatures and weather patterns. Create a hands-on project class that attempts to create small global changes and identify changes they want to see.

Monday, August 12

1:30 pm Technology: Intro to Controlling and Programming Robots

Learn to code and get drawing with STEAM-style robotics to create visual masterpieces! Combine art and programming as you learn the basics of block coding and basic coding instruction. If you know nothing about programming this the class for you!

2:45 pm Science: Dive into Biology

Explore the diversity of life found within Earth's atmosphere in this introductory-level biology course designed for high school and college-bound students.

HiTech @ Club Wilde Lake

HCLS' STEAM Machine is a mobile classroom bringing hands on project-based STEAM classes to students unable to participate in STEAM classes at the HCLS branches. This summer, the STEAM Machine offers two HiTech STEM classes per visit. Designed to provide a "summer STEM camp experience," each class takes about 60 mins.

FOR HIGH SCHOOL STUDENTS

Find us at the Wilde Lake Community Center. Registration requested but walk ups accepted. Space is limited. To register, send an email to hi.tech@hclibrary.org or call 410.313.7750.

Thursday, July 11

1:30 pm Science: Marine Biology

Analyze marine environments and connect with your high school science class. Review the facts of marine life and global considerations as come face to face with marine animals.

2:45 pm Engineering Amusement Park Structures: Water Mister

Examine these fun and cooling amusement park features, as you learn about building to requirements and performance and meeting quality control requirements through a hands on project. Build an actual water mister for the upcoming HCLS HiTech STEAM Carnival.

Thursday, July 25

1:30 pm Technology: Introduction to AI - Machine Learning 1

Experience where engineering and computer science meet. Learn how to program a credit card sized computer and a 3D printed robotic arm.

2:45 pm Engineering: Making Solutions - Vacuform

Learn about solution based engineering through vacuum forming. Use one of the simplest type of plastic thermoforming to create a mold for packaging.

Thursday, August 15

1:30 pm Technology: Introduction to AI - Machine Learning 1

Experience where engineering and computer science meet. Learn how to program a credit card sized computer and a 3D printed robotic arm.

2:45 pm Technology: Introduction to Computing Languages Using a Robotic Dog

Learn the structure and design of artificial intelligence. Explore the concepts needed to program a dog-like robot to perform everyday functions.

- Are you interested in being a powerful voice for local residents, driving positive change, and shaping a more inclusive future for Howard County? Howard County Executive Dr. Calvin Ball is seeking new Student, College/Trade School, and Adult Commissioners to serve on Howard County Commissions! Join the Office of Human Rights and Equity (OHRE) and the Department of Community Resources and Services (DCRS) on Tuesday, July 30 from 6-8p.m. to learn more about our current Commission vacancies, how to apply, and the experience of serving on a Howard County Commission directly from our current Commissioners. ASL interpretation services will be provided. Register at bit.ly/commissionOPENHOUSE.

Wilde Lake School News

Wilde Lake High School

SAT and ACT Prep

Affordable & Convenient Summer SAT & ACT Prep, College Essay Writing Workshops & Admissions Crash Courses in Partnership with Howard County High Schools

Both in-person and live, virtual, eight-hour summer college prep classes are being offered in partnership with Atholton, Centennial, Hammond, Howard, Marriotts

Ridge, Mt. Hebron, Reservoir, and Wilde Lake High Schools and are open to students from all high schools.

SAT Prep at Wilde Lake HS

T/Th Aug. 13 & 15 from 5 pm– 9 pm

College Essay Writing Workshop at Wilde Lake HS

M/W Sept. 9 & 11 from 5:30 pm - 9:30 pm

This workshop is designed to affordably help rising seniors craft their Common App personal essay from idea generation, to outline, to the completion of a first draft.

College Admissions Crash Courses:

M/W July 29th & 31st from 9:30 am - 1:30 pm @ Mt. Hebron HS

Aug. 5, 7, 12, 14th from 7 pm - 9 pm (*virtual*)

A top-level overview of everything high school students need to know about the upside-world of college admissions. Appropriate for 9th - 11th graders.

WLHS students can register for ANY Answer Class at ANY location or online – and a percentage of tuition will be donated to WLHS PTSA!

Check out our full calendar of summer classes [here!](#)

Each college prep class is only \$199,* or choose a Premium Bundle and save up to \$300.

Visit www.theanswerclass.com to view the full class schedule and to register your student.

Prepare for Success: School Supply Drive

Prepare for Success (PFS) is now a 23-year-old community tradition of providing backpacks filled with school supplies to Howard County students from families with low incomes. In 2023 the community provided a record 3,800+ students with needed tools for success. There are a potential 17,000 students in need of this support.

Our village has proudly supported this program since the outset. PFS has a formal partnership with the Howard County Public Schools System and the Community Action Council. PFS is an all-volunteer effort and **100% of donations are directed to the students.**

Our village office, at Slayton House (10400 Cross Fox Lane) along with every County library and major CA Athletic Facilities serve as key collection points.

Scan this QR code for a supplies list and info on other ways to donate, including tax-deductible contributions and an Amazon Wishlist!

PFS welcomes all new school supplies.

PFS will be collecting supplies through August 17th.

100% of all cash donations are used to bulk purchase school supplies.

If you have questions, feel free to contact PFS at prepareforsuccess@gmail.org or 443-535-1625 or go to www.prepareforsuccess.org.

PREPARE FOR SUCCESS
