Slayton House News

Come take a look at Richard Pitts' *Pages* on display outside Slayton House.

When you learn about Richard Pitts, you see a story that begins with a solid educational foundation that was built upon during 40 years as a teacher, sharing his craft and gift with others. His work wasn't confined to the realms of academia, though. Through many solo exhibitions, outdoor installations, group exhibitions, and inclusion in many public collections, his works have been appreciated and loved by many. The sculpture is on loan from Howard County artsites.

Pages will be on display through July 2025.

About the piece...

Material: Welded aluminum, powdered coated finish

Dimensions: 8', 3', 2.5'

Weight: 200 pounds

Price: \$20,000

Ground: Concrete pad & cement bolting system

Club Wilde Lake

The Wilde Lake Community Association (WLCA) of Columbia, MD is seeking proposals from qualified vendors to host an after school program for middle and high school students for the 2024-2025 school year. The program should aim to engage students in meaningful extracurricular activities that enhance their learning experience and personal development.

Duration:

The program shall run for 30 weeks during the 2024-2025 school year, commencing 1 October 2024 and concluding 10 June 2025. Sessions shall be scheduled for five days per week, Monday through Friday, from 3 p.m. to 5 p.m.

Scope of Work:

The vendor shall provide a comprehensive after school program that includes, but is not limited to:

- Structured activities designed to promote academic enrichment, personal growth, and social development.
- Opportunities for skill-building in areas such as arts, sciences, technology, physical fitness, and life skills.
- Access to resources conducive to a safe and supportive learning environment.
- Qualified staff to supervise and mentor students during program hours (at least 2 per session). Background checks are required.

Submission Deadline:

Proposals must be submitted no later than 7 August 2024, 5 p.m. Eastern Time. Late submissions will not be considered.

Evaluation Criteria:

Proposals will be evaluated based on the following criteria.

- Alignment with program objectives and scope of work.
- Qualifications and experience of the vendor and key personnel.
- Cost-effectiveness and budget feasibility.
- Methodology for collecting and reporting on metrics.
- Ability to provide a safe and supportive environment for students.

Contact Information:

For inquiries and to receive the complete RFP, please contact Brandon Cogdell, Education Committee Chair, WLCA, at brandon.cogdell-wlvb@wildelake.org.

Science Technology Engineering Art and Math @ Wilde Lake

The Wilde Lake Community Association is pleased to announce a new partnership with the Howard County Library System. Join us beginning next week for exciting HiTech, programming provided via the library's mobile STEAM machine, right here in the Wilde Lake Village Center (near CVS). Programs will be offered for Middle and High School aged students this summer. See below for the calendar and offerings. Registration is suggested but not required. To register and for additional information contact: hi.tech@hclibrary.org or call (410) 313-7550.

HiTech @ Club Wilde Lake

HCLS' STEAM Machine is a mobile classroom bringing hands on project-based STEAM classes to students unable to participate in STEAM classes at the HCLS branches. This summer, the STEAM Machine offers two HiTech STEM classes per visit. Designed to provide a "summer STEM camp experience," each class takes about 60 mins.

FOR MIDDLE SCHOOL STUDENTS

Find us at the Wilde Lake Community Center. Registration requested but walk ups accepted. Space is limited. To register, send an email to hi.tech@hclibrary.org or call 410.313.7750.

Monday, July 8

1:30 pm **Engineering Your Way**

Let the Games begin! Take on engineering challenges while reinforcing core engineering principles with Rube Goldberg creations. Creativity, fun, and laughter are all required!

2:45 pm **Science: Marine Biology**

Look at the ocean, rivers, Chesapeake Bay, intertidal zones, and coastal features to see what makes each of them unique. Include an opportunity interact with marine wild life.

Monday, July 22

1:30 pm **Engineering Amusement Park Structures: Water Mistlers**

Focus on quality engineering and the scientific properties of water as you build a water mister. Assemble key parts and test a water mister for the upcoming HCLS HiTech STEAM Carnival.

2:45 pm **Science: Global Change**

Focus on the science and modeling of long-term shifts of our world's temperatures and weather patterns. Create a hands-on project class that attempts to create small global changes and identify changes they want to see.

Monday, August 12

1:30 pm **Technology: Intro to Controlling and Programming Robots**

Learn to code and get drawing with STEAM-style robotics to create visual masterpieces! Combine art and programming as you learn the basics of block coding and basic coding instruction. If you know nothing about programming this the class for you!

2:45 pm **Science: Dive into Biology**

Explore the diversity of life found within Earth's atmosphere in this introductory-level biology course designed for high school and college-bound students.

Prepare for Success: School Supply Drive

Prepare for Success (PFS) is now a 23-year-old community tradition of providing backpacks filled with school supplies to Howard County students from families with low incomes. In 2023 the community provided a record 3,800+ students with needed tools for success. There are a potential 17,000 students in need of this support.

Our village has proudly supported this program since the outset. PFS has a formal partnership with the Howard County Public Schools System and the Community Action Council. PFS is an all-volunteer effort and **100% of donations are directed to the students.**

Our village office, at Slayton House (10400 Cross Fox Lane) along with every County library and major CA Athletic Facilities serve as key collection points.

Scan this QR code for a supplies list and info on other ways to donate, including tax-deductible contributions and an Amazon Wishlist!

PFS welcomes all new school supplies.

PFS will be collecting supplies through August 17th.

100% of all cash donations are used to bulk purchase school supplies.

If you have questions, feel free to contact PFS at prepareforsuccess@gmail.com or 443-535-1625 or go to www.prepareforsuccess.org.
